3rd European Summer School on NUTRIGENOMICS June 25-29, 2018 Teatro Pergolesi Jesi Italy

Modulation of the epigenome by nutrition and xenobiotics during early life and across the life span: the key role of life style

25

Key role of epigenetics in the programming of adult health

- 14.00 Registration
14.30 Welcome
Chairs: Clarissa Gerhäuser and Melita Vidakovic
15.00 Lecture Torsten Plosch...
15.45 Keynote Lecture Michael Müller...
17.00 Lecture Alfredo Martinez...
17.45 One minute for you
19.00 Take home message
20.00 Welcome party at 'Gli Spiazzi'
21.30 Cultural event

26

How nutrition modulates health through nutrigenomics and nutrigenetics

- Chairs: Michael Müller and Baukje De Roos
9.00 Keynote Lecture Clarissa Gerhäuser...
9.45 Lecture Wim Vanden Bergh...
10.30 Coffee break
11.00 Keynote Lecture Lorraine Brennan...
11.45 Lecture Raffaele De Caterina...
Chairs: Michael Müller and Baukje De Roos
15.00 Technical research talk Wim Vanden Bergh...
15.30 Research talk Clarissa Gerhäuser...
16.00 Coffee break
16.30 Research talk Mona Mischke...
17.00 Round table: Highlights on nutrigenomics...
Chairs: Michael Müller, Baukje De Roos and Torsten Plosch
18.00 Take home message
19.30 Dinner at 'Peccati'
21.15 Cultural event

27

How xenobiotics control gene expression: not just epigenetics

- Chairs: Rosita Gabbianelli and Josep Antoni Tur Marí
9.00 Lecture Stefano Lorenzetti...
9.45 Lecture Carlos Guerrero-Bosagna...
10.30 Coffee break
11.00 Lecture Torsten Plosch...
11.45 Research talk Laura Bordoni...
Selected presentations from participants
12.15 Beatrice Cho...
12.30 Sara Dieck...
Chairs: Rosita Gabbianelli and Tur Marí Josep Antoni
14.00 Research talk Carlos Guerrero-Bosagna...
14.30 Research talk Torsten Plosch...
15.00 Research talk Stefano Lorenzetti...
15.30 Course Photo and Coffee break
Selected presentations from participants
16.00 Natália Yumi Noronha...
16.15 Fatchyah Fatchyah...
16.30 I. Melis Durasi Kumua...
16.45 Archibald Hopshi...
17.00 Jovana Rajić...
17.15 Monika Baranowska...
17.30 Ferenc Torma...
17.45 Take home message
18.00 Cultural event
20.00 Dinner at 'Gatto Matto'
21.30 Cultural activity

28

How life style (diet, physical activity, sleep, leisure-time and sedentary behaviour) modifies gene expression

- Chairs: Wim Vanden Bergh and Elisabeth Weiderpass Vainio
9.00 Keynote Lecture Tur Marí Josep Antoni...
9.45 Lecture Linn Gillberg...
10.30 Coffee break
11.00 Keynote Lecture Marianne Rots...
11.45 Lecture Torsten Bohn...
12.30 Lecture Carlo Catassi/Elena Lionetti...
13.15 Light Lunch and Poster session
Chairs: Wim Vanden Bergh and Elisabeth Weiderpass Vainio
15.30 Research talk Melita Vidakovic...
16.00 Research talk Tur Marí Josep Antoni...
16.30 Coffee break
17.00 Research talk Torsten Bohn...
17.30 Research talk Linn Gillberg...
18.45 Stella Breininger...
19.00 Take home message
20.00 Social Dinner at 'Circolo Cittadino'

29

Nutrigenomic biomarkers in blood, urine and saliva.

- Chairs: Marianne Rots and Carlos Guerrero-Bosagna
08.30 Keynote Lecture Baukje De Roos...
09.15 Keynote Lecture Elisabeth Weiderpass...
10.00 Coffee break
Selected presentations from participants
10.30 Natassia Robinson...
10.45 Kathleen Wijnant...
11.00 Sunniva V. Larsen...
11.15 Round table: How to transfer research...
12.15 Poster Award
12.30 Closing remarks

Scientific Committee
Chair Rosita Gabbianelli, University of Camerino, Italy
